The above funds are deposited in savings accounts or invested in Government bonds which are stored in a safe deposit box at the Lisbon Savings Bank and Trust Company, Lisbon, New Hampshire.

You will notice that, although the bank pays 5 per cent interest this year, we don't show as much as last year. This is due to the change to the Littleton Bank in April 1971, where interest is paid quarterly.

REPORT OF SUPERINTENDENT OF SCHOOLS

I herewith submit my seventh annual report to the voters of the Benton School District.

It is always very difficult to express in words the feelings one has when he loses a very dedicated and fine person he has worked with for a decade. Mrs. Ruth Page has been a dedicated mother and school board member who always had in mind the best interests of the Benton school children while serving on the school board. Her passing has left a huge void in our school district, but her positive influence will be felt for many years.

This year the Benton School Board is recommending a budget of \$27,578.94 for the support of schools for the academic year 1972-1973. This appropriation reflects an increase of \$1,758.81 over last year's gross budget. The increase is due, in part, to tuition and supervisory union expenses.

Our projected enrollment for tuition students next year, which does not include any allowance for new students, is as follows:

Elementary School	18	@	\$650.00	=	\$11,700.00
Junior High	2	@	\$750.00	=	1,500.00
Senior High	11	@	\$950.00	=	10,450.00
	<hr/>				
Total	31				\$23,650.00

May I take this opportunity to thank the Benton School Board and voters for their support during the past year.

Respectfully submitted,

NORMAN H. MULLEN
Superintendent of Schools

SUPERVISORY UNION #23**REPORT OF SUPERINTENDENT'S SALARY**

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the superintendent.

One-half of the supervisory union expenses is prorated among the several school districts of the union on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of Supervisory Union #23, during 1971-72, will receive a salary of \$18,000.00, which is made up as follows: \$2,500.00 to be paid by the State Department of Education and \$15,500.00 prorated among the several school districts. Allowance of \$1,500.00 for travel within the Union is also prorated as stated above.

The table below shows the proration of salary and travel to each school district:

District	Salary	Travel
Bath	\$ 607.60	\$ 58.80
Benton	83.70	8.10
Haverhill Cooperative	6,151.95	595.35
Lincoln-Woodstock	5,111.90	494.70
Monroe	2,070.80	200.40

Summary Program of the White Mountains Region Association

1971 (34th Year)

Pioneered an engineering project at the University of New Hampshire in researching problems of snow erosion at ski areas. This project is well underway now and it appears that some practical solutions have been arrived at.

Maintained an active legislative program through the formation of a joint committee of the four regional promotional groups in the White Mountains.

Helped defeat an increase in the rooms and meals tax and gave strong support regarding the 16-mile extension of the Spaulding Turnpike.

Continued to promote new outdoor sports compatible to the region namely, whitewater canoeing, ski touring and bicycling.

Posted the annual 500 miles of fall foliage tour leaves.

Participated in a citizens' review committee on the controversial 4 million dollar federal Connecticut Basin study and were successful in altering some of the recommendations of this study.

Continued to develop the concept of promoting the off-season for tourists as against the high season.

Gave awards to 4-H groups in Grafton and Coos Counties.

Received 6,593 inquiries for the season which were answered with kits of folders.

Wrote 49 news releases. Wrote 259 personal letters.

Wrote four magazine articles and had twenty-five photographs appear in magazines and newspapers.

Printed and distributed 275,000 folders.

Appeared on four radio programs and attended two travel shows.
Total income for 1971, \$33,833.

Presently we are working to make the state regional planning effort coincide with the six existing region associations.

Presently we are working with the Neighborhood Youth Corps to develop a course in hotel management for high school drop-outs, etc.
